BREAD AND MEAT LEAGUE.

W E think down in our county, said Col. Tom Stuart of Winchester, Ky., who visits New York at intervals to water the tock on the blue grass pastures of Wall Street, "that we have devised a scheme by which we will put a crimp in the high cost of living proposition without closing down a single disillery in the State or exporting a ingle bale of our mint crop. What we propose doing is to organize the Bread and Meat League of Clark ounty, bread and meat representing ne food supply generally.

"You see, we raise in our county bout everything to eat that is good or a human being and our farmers nd stock raisers will get together as embers of the league, each one edged to set aside so much of his od supply for the general good. That is to say, so much wheat, so uch corn, so much beef, mutton and ork, with potatoes, apples, eggs. butr, onions, cabbage, turnips and other getables that will keep, will not be hich will be perfectly fair to the

blings used to be, but at the same ime it will be far below prices that revail now everywhere and will be a aving to all classes because a all of them have to eat. The amount rops will be small and the league puts o restriction upon our producers to at to live in our county at the prevailing market rate no matter how ligh it may go.

"That is not our business. Ours is charity begins at home organization. seep it there, though we have no objection to other counties anywhere ence. Indeed we expect them to do If the deprivations which the high ost of living Imposes,

"What do you think of the league as
